## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the prior art fails to teach a combination of the steps of:  
a second switch for receiving said decision output, a training sequence and said receive signal and outputting a second switch output, in the specific combination as recited in the claim.

Regarding claim 9, the prior art fails to teach a combination of the steps of:  
declaring said packet collision if said peak error is higher than said peak error threshold or if said error energy is higher than said error energy threshold, in the specific combination as recited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
